## Southern Soul

A new book exp

After the success of her Italian restaurant MC Kitchen, chef Dena Marino has opened Mercato, a specialty food shop next door in Miami's Design District, where she offers light Italian fare and sells gourmet ingredients ([mckitchenmiami.com](http://mckitchenmiami.com)). James Beard Award-winning chef Fabio Trabocchi will open Casa Luca (pictured) in Washington, D.C., this summer. The casual trattoria pays homage to

his upbringing in Le Marche ([casalucacdc.com](http://casalucacdc.com)). Wild, a new farm-to-table restaurant in New York City's West Village neighborhood, offers gluten-free pizza and Italian-inspired salads and sides ([eatdrinkwild.com](http://eatdrinkwild.com)).

### Vivoli in New York

fresh daily. "We're focused on making Vivoli New York an institution, equivalent to the Florence shop," Vivoli says. The store is a part of Stella 34 Trattoria and Cibi Ronda, two new spots inside Macy's that feature Italian food ([vivoli.it](http://vivoli.it)).

For an in-depth look at our favorite places to eat gelato in Italy, go to [icimog.com/gelatoscoop](http://icimog.com/gelatoscoop).

with their telltale "pleated" seams, which stems from the island's skilled bakers, who fashion intricately designed breads and cakes. Traditionally, culingionis are served with a simple tomato sauce or meat ragù. Learn to make these special dumplings from Sardinia on p. 44.
