MC KITCHEN NAMED ONE OF THE BEST NEW RESTAURANTS

Esquire Magazine has named our very own MC Kitchen one of the top best new restaurants for 2013. Out of the 20 restaurants chosen, MC Kitchen was the only restaurant named in Florida. Esquire declares "MC Kitchen is not just the best and best-looking Italian restaurant in Miami; it's also one of the best in America." If you haven't tried it yet, well, what are you waiting for?
