## Fratelli Lyon closes; MC Kitchen opens

Open since 2008, Fratelli Lyon — from Miami catering veteran Ken Lyon — has closed and will make way for Dena Marino's MC Kitchen this summer. Marino (DeVito) will showcase seasonal organic ingredients, house-cured meats, house-made cheeses, pastas and wines from boutique producers. Lyon says he is "currently looking for another location" and offering clients a "Fratelli Lyon" menu through his catering company.
